

Dear Parents and Carers,

Our school catering company, Hutchisons, operate a pre-order system using 'Appetite' which can be accessed online. You can set up an account to log in and order.

PLEASE CAN WE REMIND PARENTS TO PRE-ORDER THEIR CHILD'S MEAL IN ADVANCE.

We would STRONGLY RECOMMEND placing meal orders up until the last day of this term.

As Hutchisons operate a three-week rolling menu, you can do this using the menus on line.

If you forget your password to access Appetite, please contact the school office who will resend it again (password resets have already been sent this term).

We would appreciate your support and cooperation in placing meal orders for your child/children in advance so that learning for ALL children can begin at 8.50am

Yours sincerely,

Mrs A Yilmaz

Headteacher
