

## PSHE Curriculum Intent

Our Personal, Social, Health and Economic Education (PSHE) curriculum at Riverside Primary School equips pupils with the knowledge, skills and attributes they need to keep themselves healthy and safe and to prepare them for life and work in modern Britain with an in-depth understanding of fundamental British Values. In addition we enable our children to become healthy, independent and responsible members of society whilst developing their skills in resilience; self-esteem; risk-management; team work and critical thinking.

They develop an understanding of how to tackle spiritual, moral, social and cultural issues as well as sensitive issues which they may encounter in their lives.
