

## Riverside Primary School Year 5 Homework Spring 1

<p><u>History</u> Search 'The Tudors BBC' to see the bitesize clips. Create a bullet point list of facts and features of Tudor times that interest you or might interest others. Aim for at least 10.</p> <input type="checkbox"/>	<p><u>English</u> Find out about ancient Chinese myths. Describe one or two or write in your own words as a retelling. Include a picture.</p> <input type="checkbox"/>	<p><u>Art</u> We are looking at landscape observational drawing. Draw a view from your window or, if possible, when you are out and about somewhere.</p> <input type="checkbox"/>
<p><u>Science</u> Find out about making sugar crystals with a saturated solution. Maybe someone could help you try it. Describe it or label a picture using the correct science words.</p> <input type="checkbox"/>	<p><u>Maths</u> Practice some column multiplication. 2/3 digits by one or two digits. You may need to draw a grid with a ruler. You can check them with a calculator and try to see where you have gone wrong if you have.</p> <input type="checkbox"/>	<p><u>Music</u> Find out about two or three different types of music or musical instruments that originated in or are associated with the Caribbean.</p> <input type="checkbox"/>
<p><u>French</u> Compile a list of animals in French. Practice the online French games from the QR code sheet.</p> <input type="checkbox"/>	<p><u>PE</u> Draw and label a rhythmic gymnastics sequence with a variety of moves and shapes. It could be for one, two or three people. You don't have to be able to do it.</p> <input type="checkbox"/>	<p><u>PSHE</u> Design an advert for a good friend. What characteristics are essential and what would be an added extra. You could include a labelled diagram or a checklist. (Think about the discussion work done in class.)</p> <input type="checkbox"/>
