

Riverside Primary School Year 2 Homework Spring 1

History

In History, we are learning about flight. Can you design a poster to explain how flight has changed since the first flight in the early 1900's. Can you use the internet to help you?

English

In English, we are reading 'The Dragon Machine' by Helen Ward. Can you design your own dragon and write a description of the dragon. Try to include expanded noun phrases in your description.

Art

In Art, create your own expressive drawing or painting. Think about what we have learnt in our art lessons. What kind of lines will you use? Which colours will you use?

Science

We have been learning about Animals including Humans. Can you design a poster to explain what all animals need to survive?

Maths

In Maths, we are learning about Statistics. Can you produce a tally chart of your favourite foods in your family?

RE

In RE, we are learning about Islam. Can you draw and label the key features of a Mosque?

Creative

This half term we will be finding out about Chinese New Year. Create your own Chinese New Year dragon.

PE

We have been practicing throwing and catching. With a friend or family member, how many times can you both keep a ball in the air without dropping it?

PSHE

Can you name some of the people in your family who are special to you? How do they look after you and help you? How do they make you feel?
